

Washington Elementary School

December 2020/January 2021 Updates

Washington School Mission Statement

At Washington Elementary School, we foster a student-centered community where all students are inspired to discover their own passions, accept and appreciate the differences in one another, and make reflective and responsible choices that will make the world a better place.

Continuation of Remote learning

Edison Township Public Schools will continue with remote learning until **January 19, 2021**.

Please see [letter](#) from Dr. Bragen sent on December 18.

A Note From the Office - Mrs. Schlatter and Ms. Vu

@WashEdison

It's hard to believe we have only been in school for three and a half months. We are so appreciative of our Washington staff for working so hard and adapting to remote and hybrid learning so quickly. They work tirelessly to bring challenging, fun, and memorable experiences to our students.

We would also like to thank YOU, our families, for doing so much for our students. We know it has not been easy and we are grateful for the support you provide and everything you do for our students. Our students have shown such resilience throughout this pandemic and we are amazed each day by everything they are doing.

We wish you a happy and safe winter break, and look forward to seeing everyone in January, either in-person or online.

Washington families,

The January & February leadership habit is "Together is Better". During the break, we'd love to see how you are celebrating with your family near and far.

Please use the Google Form below to submit any photos of your family from the holiday break. Even if you are celebrating with your family virtually, we'd love to see your family!

In January, these photos will be shared with the Washington school community.
