

# Washington Elementary School

November 2022

## Washington School Mission Statement

At Washington Elementary School, we foster a student-centered community where all students are inspired to discover their own passions, accept and appreciate the differences in one another, and make reflective and responsible choices that will make the world a better place.

## Parent-Teacher Conferences

Please see [this letter](#) for more information on conferences and how to sign up. Sign ups will be open on November 2.

## Student/Family Handbook

## Highlight on Fifth Grade

On October 13th, 5th graders at Washington School had a fun-filled, rainy day at Camp Bernie. Students took risks, challenged themselves and worked together on various activities throughout the day. Some of the fun team building activities that the 5th graders participated in included a sensory walk, vertical playpen, climbing tower, archery, survival training, and more! It was an amazing experience watching the students have fun together, while also challenging themselves to overcome obstacles.

## Diwali Celebrations

In October, our students learned about the celebration of Diwali. In our English As A Second Language classes, Mrs. Book and Mr. Rivera welcomed staff members in to share their Diwali traditions with students.

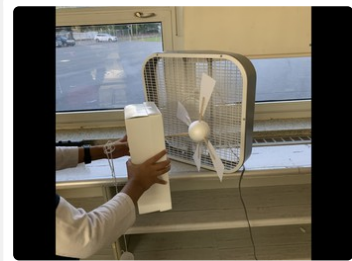

## Student Dress

As per [BOE Policy 5511](#):

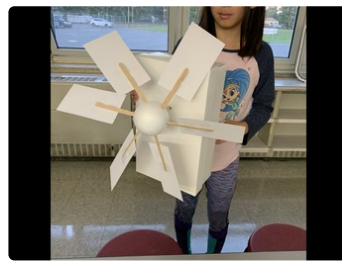

All clothes should uphold the principles of safety, health, modesty and good grooming. For the safety of students, **please no crocs, slides, or flip flops.**

Please be sure to dress students for the weather. We will take them outside for recess as often as possible. As the temperature gets cooler, students should come to school with a jacket, hat, and gloves.

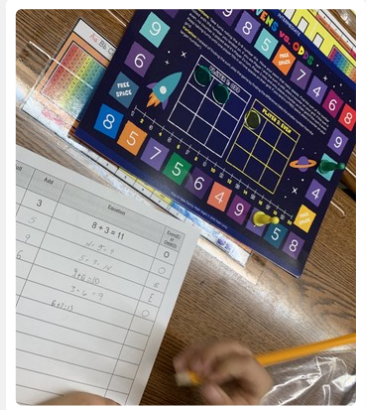

## October Highlights

Family STEAM Night

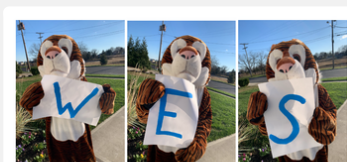

Family STEAM Night

Family Math Night

## Upcoming Events:
