## Genesis Parent Portal

The Genesis Parent Portal includes important information such as beginning of the year forms, bus assignments, teacher assignments, student grades, report cards, attendance records, and conference sign ups.

Please ensure you have your Parent Portal account set up by clicking on this [link](#).

**The school main office cannot reset your account.** You must reach out to the Genesis Helpdesk directly by following instructions on the website.

We are excited to announce that WES is offering Parent Portal help sessions. More information on this will be coming out in the next few days.

## First Days of School

The first few days of school are critical for establishing routines and expectations at Washington School.

### Arrival and Dismissal

From arrival on the first day, we will set the expectations for the school community when transporting students to and from school. Our utmost priority is the safety of all students! If we all follow the set expectations, we will succeed at keeping everyone safe. Please obey the traffic rules and BE PATIENT! Cambridge Road is chaotic during these times of day.

### School Expectations

It is expected that students are respectful to other students, staff, and to themselves. We have a nurturing school community that fosters the growth of the whole student. It is just as much our job to help students grow socially and emotionally, as academically. We will spend the first few days establishing routines around the school and in the classrooms.

### School Supplies

All standard school supplies will be provided to each student when they arrive to school on 9/6. Teachers may request additional items over the first week. Each student should come to school with a backpack, water bottle, and lunch (if not purchasing).

## WASHINGTON ELEMENTARY SCHOOL SCHOOL SUPPLIES 2022-23

In-school supplies will be provided for **ALL** W.E.S. students through Title I Funding. Teachers may request additional supplies once the school year begins.

Each student should come to school with a backpack.

# Technology

All students will utilize a school provided device. These devices are an integral part of the learning process so proper care of them is necessary. It is strongly encouraged that all students purchase device insurance. Help with devices and insurance is available at the [Help Desk](#).

## Parent Helpdesk & Technology Support

# Food Services

We are thrilled to announce that we are participating in a free breakfast program again this year. All students will be provided a free breakfast that will be ordered the day ahead. Lunch service is \$3.00 unless you have been approved to receive it at a free or reduced rate. See the flier below or our website for more information on how to set up a myschoolbucks account.

When packing student lunches, please keep in mind that they should be able to open packages and eat lunch independently. Of course, we have lunch aides to assist, but it is best to keep lunches simple. Please no soda or candy should be brought to school.

# Free and Reduced Lunch

If you are in need of financial assistance for free/reduced lunch, please complete [this form](#). It gets processed through the district. Other benefits are available for families who qualify for free/reduced lunch.
