

## Get Down with Nature

~ May 18th, 2020: Week 9-Connecting with Nature ~

Hey W.E.S. Tigers! This week we are getting outside to connect with Nature. Being outside gives us a much needed break from technology and helps us reconnect to our imaginations and sense of wonder! In the following slideshow you can learn how to "name that bird," get ideas for a scavenger hunt, get a list of parks and info on beach access, learn how to plant a garden, or explore plenty of Nature Art. Please remember that if you need me I am here for you! Reach out to me on Chat or email me: [Lora.Scammacca@edison.k12.nj.us](mailto:Lora.Scammacca@edison.k12.nj.us). While we are unable to do our usual sports and activities, this is a unique opportunity to better connect with nature. Please know that I am so proud of all of you!
